

2010 Florida All Airborne Days

Wednesday October 20th to Sunday October 24th 2010

Hosted by the party animals' of the **Daniel S Campbell Chapter**, and the refined, good-looking gentlemen of the **Orlando All Airborne Chapter**, this is going to be the most memorable yet!

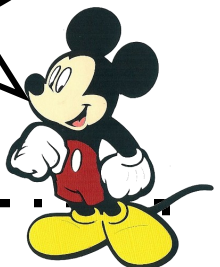

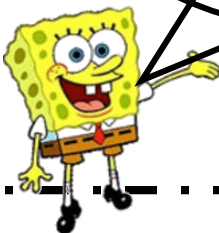

Starting with a room rate of only \$52 per night, which is 15% less than in 2005, **(40% cheaper** than 2009), and in addition, those who register early the hotel is also offering you special room rates for the full year leading up to the mini-convention and 14 days afterwards. With all the attractions just minutes away this is **THE** perfect convention for the whole **family**. We have no limit on attendees. **No excuses come one come all**

It **begins Wednesday 20th**, for those early starters, and goes on **until Sunday 24th**. The hospitality room opens Wednesday p.m. until late Saturday (or early Sunday), and provides Breakfast donuts and coffee, midday and evening snacks, and of course, more importantly the appropriate liquid refreshments throughout! On Friday evening there will be a **GRAND BUFFET** and music, followed by the **MEMORIAL DINNER** and fundraising auction for our injured troops program on Saturday evening. **All this is included** in the measly registration fee of just \$89!

Extra events being organized include shopping trip to the local outlet malls, and visit to Fantasy Of Flight.

Additionally some old and bold have already asked about making a **jump with The Phantom Airborne Brigade**, I am in contact with them and they just want names & numbers so don't delay call me today to make this happen and be
